accident & illness

PROTECT YOUR INCOME FROM AS LITTLE AS £24.94 PER YEAR

Personal Accident Insurance with optional Illness cover can be taken out by an individual or group business, we have a wide range of benefits and cover options available to make sure you have the peace of mind and financial support in the event of an unforeseen Accident or Illness.

If you were to have an accident how would you replace your income?

Personal Accident and Illness Insurance operates worldwide, 24 hours a day.

Should you be temporarily unable to work a weekly amount is paid out or in an event where the accident or illness causes death or permanent disablement (capital benefit) a lump sum benefit would apply.

How to select the right benefits and cover options for you?

- If you were unable to work for a period of time, ask yourself how much you would need to cover your outgoings
- In the event of death a lump sum benefit could help pay for funeral expenses, inheritance tax or just help support loved ones left behind, (we can quote for higher lump sum benefits with lower weekly benefits or higher weekly benefits with lower sum benefits), in an event where you are permanently disabled a lump benefit would be paid out. Whatever your requirements and circumstances please select one of the options overleaf and contact us for a personal quotation today.
